#### Initial All Highlighted Items Below:

- All families must commit to a minimum of 2 days per week. [redacted]
- If enrollment from the BASP is terminated by either party, tuition is non-refundable. [redacted]
- Monthly fee is based on child's schedule according to the fee contract. Payment schedule is the same monthly rate regardless of holidays, vacations, snow days, or any after school activity. For example, if your child attends M-F, the fee is based on that schedule and is divided evenly into 10 equal monthly payments. (No charge for holidays, school vacations & snow days) [redacted]
- The program is not available on snow days, holidays or half days. The BASP is available on 90 minute early release days for children who are scheduled to attend on those days. [redacted]
- I cannot "switch days", meaning if my child does not attend on their scheduled day, I cannot have them come on a non scheduled day to make up for the lost day. I may add a day and pay the daily rate with permission from the Director. [redacted]
- My child/children's tuition is payable monthly regardless of non attendance or after school activities. Payment is expected on or before the due date. I must pay a \$10 late fee if payment is not received by the due date. If tuition is late 3 times, termination may result. [redacted]
- I will be charged a fee of \$1 per minute, per child for pick up beyond the closing at 5:30. I will pay this fee directly to the care giver who must stay late with my child/children. Pick up time is according to the BASP clock. Late fee is expected to be paid upon pick up. [redacted]

I have read and agree to the conditions of the fee contract.
