**STUDENT PARKING FORM 2022-2023**

Driving to school and parking in the school parking lot is a privilege, not a right. This privilege is entrusted to you with the expectation that you will handle it responsibly. Any violation of the rules may result in loss of parking privileges. Refunds will not be given.

- Students are to park in their assigned spot and display their parking tag at all times.
- Students who do not park in their assigned spot, or display their tag, may be ticketed and/or towed.
- Students are responsible for all belongings left in their cars. Cars should be locked at all times.
- Students may lose their parking privileges if they do not park responsibly.
- Students who break the parking rules listed below may lose their parking privilege.

**Rules:**

- Seniors are allotted parking spaces based on a first-come, first-serve basis. If there are any parking spaces left, a lottery will be held for juniors after the first week of school.
- Students must be academically eligible to park at school.
- Students are not permitted to go to their vehicle at any time without permission from a teacher or the main office.
- Students may not speed or otherwise drive dangerously or recklessly. Students are only to drive their vehicles on authorized roadways.
- Students are to be on time to school. Excessive tardiness will cause a student to lose their parking privilege.
- Students are not allowed to leave school grounds in their vehicle without permission. Students are not to smoke in their vehicle while on school grounds.
- Students are to behave properly at all times.
- Students who are suspended either in or out of school may be subject to loss of parking privileges.

I have read the rules and understand that I may lose my parking privilege if I fail to follow the rules.
